

Distance Healing / Energy Healing Course

Advanced Class Topics — Sunday, November 25

- Advanced techniques for relationship healing
- Detect and clear someone else's Presence from internal organs and other areas – extremely common, and usual factor when there is a chronic problem. (This is different from “negative energy”.)
- Quickly detect and clear genetic problems and past life issues
- Healing and support for cancer patients
- How to free and heal a Dominator, and clear their family/spouse
- How to get answers to questions
- How to quickly help souls to cross over/transition, and how to heal ancestors
- Teach your clients to do their own Frequency Adjustments
- Heal fertility problems occurring on multiple levels
- Reduce the intensity of storms
- Clean air pollution/ ChemTrails toxins
- How to do spinal alignments by distance healing/ Heal scoliosis
- Healing for teeth, dental problems, and post-dental procedures
- Blending frequency adjustments within your regular healing sessions
- Recognizing requests for healing appearing in your dreams
- How to do an "Overhaul" healing session - addressing a long list of repetitive fears, traumas, relationship conflicts and chronic health problems, all in one session
